

TIGER GAS

Heavy-Duty Tow Tractors

Tiger Gas has a 100% steel body-on frame with bolt-on chassis components and an ICE powertrain. This familiar design offers capability, operations and serviceability that's proven in the GSE space.

TOWING CAPACITY

Up to 60,000 lbs

TOP SPEED

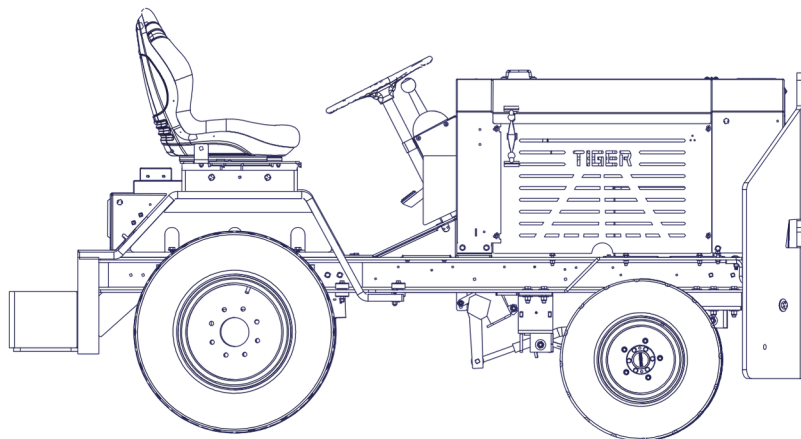

Up to 15 mph

DRIVE SYSTEM TYPES

Gasoline

POWERTRAIN OPTIONS

Kubota

Seamless Operator Experience

Tiger Gas ICE tow tractors require little to no specialized operator training and are manufactured using common GSE parts—simplifying operations and maintenance.

Join the Tiger family with Tiger Gas, and have the option to easily switch your ICE powertrain to a lithium-ion electric powertrain when you're ready, on your timeline.
